MISCELLANEOUS DEPARTMENTS.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notice dated 23rd November 1927.

Notice is hereby given that sealed tenders will be received at the Office of the General Superintendent, Generating Station, Sivasamudram, up to 2 P.M., on 20th December 1927, for constructing two blocks of Lower Subordinates Quarters at Sivasamudram. The tenders will be opened in public at 2 P.M., on Tuesday the 20th December 1927. The time required to complete the work and monthly progress should be indicated as these will be some of the chief factors in the award of tenders.

2. The plans, detailed estimate and conditions may be obtained at the Chief Electrical Engineer's Office, Bangalore, and also at the General Superintendent's Office, Sivasamudram, between the hours of 11 A.M. and 5 P.M., on all working days.

3. Tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed. The rates should be in figures as well as in words.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory Notes, as earnest money and be superscribed, "Tender for constructing two Lower Subordinates Quarters at Sivasamudram," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the General Superintendent, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender. The General Superintendent also reserves the right to accept or reject any portion of the tender.

6. Within eight days of the award of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled and his earnest money will be foreited.

7. The name of the successful tenderer will be posted on the Notice Board in the General Superintendent's Office, Sivasamudram in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The construction work should be started within a fortnight from the date of notification of the acceptance.

10. Any other conditions that the contractor may wish to state should also be included in his tender.

11. Water for construction should be got at the contractor's own expense.

12. Specifications for work are those recognised by the Mysore Public Works Department and Marryot's Specifications.

13. The contractor should be bound by the conditions of the Schedule Contract of the Electrical Department.

V. V. PATANKAR,
Executive Engineer.

GAUGING AND UPPER CHANNELS DIVISION, MYSORE.

Abstract Notification dated 26th November 1927.

Attention of the public is invited to the notification dated 26th November 1927, published on pages 1038 and 1039 of Part VI of the *Mysore Gazette* dated 1st December 1927, calling for tender for constructing Utsvagudi for Sriramadevaru and Sri Narayanaswami temples at Yedatore New Town.

K. NARAYANA IYENGAR,
Executive Engineer,
Gauging and Upper Channels Division,
Mysore.

MYSORE RAILWAYS.

Notification dated 1st December 1927.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Railways, Hassan, up to 23rd December 1927, for collecting and stacking stone ballast on Birur-Shimoga Railway. An approximate estimate of quantities is given in the following schedule. The quantities are not guaranteed. The work should be completed by the end of March 1928 showing continuous equal monthly progress.

2. Plans, detailed estimate and conditions of schedule agreement, may be seen at the Executive Engineer's Office at Mysore Railways, Hassan, on all working days, between 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer on payment of one rupee.

4. Each tender must be accompanied by a deposit of Rs. 100 in cash or Government Promissory Notes as earnest money and should be superscribed "Tenders for collecting and stacking stone ballast on Birur-Shimoga Railway" in default of which, tenders will be rejected.

5. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned early.

6. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

7. The name of the competitor, whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will be answered.

8. Within eight days of the acceptance of the tender, the successful competitor is required to execute the usual schedule agreement, in default of which, his tender will be considered cancelled.
